

Architectural Designer with Cultural and Public Projects Experience – Beijing

Büro Ole Scheeren is an international firm that practices architecture, urbanism, interior design, and research.

Our work ranges from city-defining structures and innovative urban prototypes to carefully crafted cultural buildings, with projects across Asia, Europe and North America.

We have recently completed the Guardian Art Center in Beijing, DUO in Singapore, and MahaNakhon in Bangkok; our current developments include, amongst others, 1515 Alberni and Barclay Village in Vancouver, Riverpark Tower - an innovative adaptive re-use in Frankfurt, Empire City - a high-rise complex in Ho Chi Minh City, and the ZTE Headquarters in Shenzhen.

We are looking for an experienced **Architectural Designer** specialized in **Cultural and Public** projects to join our growing teams in our Beijing Office. Your role will range from the conceptualization to the design development of high-profile Cultural and Public Projects – from Cultural Centers, Museums, Performing Art Centers, Conference Centers, amongst others – through all design stages from concept through construction.

You will have a strong understanding of both architectural design development and project management. You will represent and communicate the project both internally and externally with a strong sensitivity to our design approach. You will collaborate productively with your team and ensure clarity throughout the design and construction processes.

Qualifications:

- You have an excellent academic background with a Master in Architecture or equivalent.
- Your track record encompasses at least 5 years post-qualification in-depth involvement in complex cultural and public projects through all stages of design and construction.
- You have worked in an internationally acclaimed architectural firm, and paired architectural design sensitivity with technical and managerial knowledge, and are able to communicate design and experience precisely and comprehensibly.
- You excel in a dynamic work environment, and have exemplary time management and delivery skills.
- You are literate in AutoCAD and Adobe CS, ideally also in Rhino and/or Revit.
- English fluency and business level Mandarin is a key requirement.

We offer long-term prospects within the supportive and stimulating environment of our international design network, with the opportunity to further your career, as well as competitive salary and benefits. We embrace diversity in all applicants' backgrounds.
